12U	7	8	3	4	5
13U	7	8	4	5	6
14U	7	8	4	5	6

Pitching Limits

Column "A" The number of innings listed in this column is the maximum number of innings a pitcher is allowed in 1 day

Column "B" The number of innings listed in this column is the maximum number of innings a pitcher is allowed in 2 consecutive days

Column "C" If the number of innings listed in this column is exceeded in a day there is a 1 calendar day rest required

Column "D" If the number of innings listed in this column is exceeded in a day there is a 2 calendar day rest required

Column "E" If the number of innings listed in this column is exceeded in a day there is a 3 calendar day rest required

NOTE 1: 1 Pitch is considered an inning in all ages.

NOTE 2: In ages 9 – 12U a pitcher may not pitch on 3 consecutive days even if he has not exceeded the above listed limitations.

NOTE 3: In ages 9 – 14U, once a pitcher is removed from the pitching position, he may not re-enter as a pitcher for the remainder of the game

VIOLATION PENALTY: If a pitcher violates any of the above pitching limitations and a formal protest is filed with the tournament director the pitching logs will be checked to verify the alleged violation. If it is determined there is a violation, the game will be a forfeit. All innings pitched and runs scored up to the time the forfeit is imposed will be counted for both teams. This only applies if the protest is made when the violation is discovered **while the game is in progress**. If the violation is discovered after the completion of the game, the game results stand. If there is in fact a verified violation discovered at anytime, the manager will serve a 1 game suspension and the pitcher may not pitch for the remainder of the tournament.

The above pitching limits are an attempt to come as reasonably possible to the pitching recommendations from the USA BASEBALL MEDICAL ADVISORIES' STUDY REGARDING PITCHING LIMITS FOR YOUTH BASEBALL.

Standings

Pitching Log
